Freedom of Information Request

Please find below the response to your recent Freedom of Information request.

Request / Response:

I would be most grateful if you would provide me, under the Freedom of Information Act, details in respect to NHS Knowsley CCG’s Improving Access to Psychological Therapies (IAPT) contract, which I understand is due to come to an end of its current contract term on 31/03/2019.

The details I require are:

Is there an extension clause in the framework(s)/contract(s) beyond 31/03/2019 and, if so, the duration of the extension?

The Knowsley IAPT contract is a rolling contract with no fixed end. It is currently reviewed annually with the current provider.

Has a decision been made yet on whether the framework(s)/contract(s) are being either extended or renewed?

The current contract will continue into 2019/20.

If the contract is not being extended or renewed with the current provider, has a decision yet been made on when this contract will be published for tender?

Please see response above.
Who is the senior officer (outside of procurement) responsible for this contract?

Tony Woods
Director of Strategy & Performance
